OBJECTIVE

To obtain a position where I can utilize my skills and experiences to enhance an organization.

SKILLS & QUALIFICATIONS

- ✓ OPERATION OF HIGH PRESSURE HORIZONTAL WELLS, NIGHT ROVER, RAN SITES WITHOUT VRUS
- ✓ STRONG MECHANICAL AND DIAGNOSIS SKILLS
- ✓ ABILITY TO TEACH OTHERS
- ✓ STRONG TROUBLESHOOTING ABILITY
- ✓ COMFORTABLE WORKING BOTH INDEPENDENTLY AND AS A TEAM MEMBER

EMPLOYMENT

- MOWER OPERATOR 4/21 to Present
Turf Master Fort Collins, CO
Responsibilities include mowing sod, seeding and general upkeep of land. Occasionally am asked to work on a tractor.
- MILL OPERATOR 9/20 TO 3/21
Horton Feed Lot Wellington, CO
Responsibilities included maintaining the mill. Occasionally feeding the cattle either grain or hay occurred.
- NIGHT RUNNER ROUTE OPERATOR 7/12 TO 3/20
Select Energy Service Greeley, CO
Responsibilities included running routes for Anadarko, fix and repair down equipment, train new employees, monitoring well heads, inspecting equipment on different pads, verifying they are functioning within standards, and check for freezing pipes during cold weather. Have received the Green Hat training from Anadarko, OSHA training and Safeland certification.
- Feeder 4/10 to 7/12
JBS Swift Kersey, CO
Responsibilities included feeding the cattle either grain or hay. When feeding grain, a semi-truck is used to feed hundreds of cattle driving along each pen. This entailed measuring speed and output for each section to meet required amounts to be dispersed to each pen.
- SAW OPERATOR 12/98 TO 3/12
WALKER MANUFACTURING Timnath, CO
Responsibilities included making parts for the mowers. This included socket mounts, drive shafts, cutting various materials for the mower frames. Used various equipment to produce the required parts: steel metal band saw, shear, knotcher, plasma cutter, Bridgeport lathe, spot welder, etc. Most work was completed to meet the required deadlines and quota levels and at times was asked to work on several different lines of operations within a given time period.
- GLAZER 11/98 TO 07/99
AmeriMax Loveland, CO
Responsibilities included building the screens and installing the screens into the customized doors. Also installed the glass into doors.
- UNLOADER 07/91 TO 11/98
Wal-Mart Distribution Loveland, CO

Responsibilities included unloading and proper separation of each trailer by using a forklift, forklift clamp machine, electric pallet jack or stacker.

EDUCATION

Received my General Education Diploma	2014
Larimer County Votec Center ASE Auto Mechanics	1975
