OBJECTIVE

I am a hard working and highly motivated individual, who is seeking long term, full time production/warehouse employment, with a solid company.

EXPERIENCE

VESTAS BLADES, WINDSOR CO

2014-2019

For the past five years I have worked in different departments (Finish and Maintenance) at Vestas Blades with different types of responsibilities.

Finish Department- Fiberglass work, Tier 1 production, sanding, repairs, putty, glue, cranes, forklift operator

Maintenance Department- 3rd level production, resin bay trainer, putty, glue, infusion, calibrate machines, report data, hazmat handling and disposal, knowledge of all documentation and updates.

LABOR READY, LOVELAND, COLORADO

LABOR READY, NORMAL, ILLINOIS

2011-2014

I was working in the general labor field gaining experience at
Flagging, excavating, warehouse work, general labor

CRST EXPEDITED, CEDAR RAPIDS, IOWA

2008-2011

READY SET GO TRANSPORTATION, CARROLLTON, TEXAS

2005-2008

I also have a class A CDL with all my endorsements. I also obtain a current federal background check and medical card, to work as a company driver, as well as, an owner operator.

Good customer communication skills, make on time deliveries and pick ups, inspect vehicles, perform preventative maintenance, knowledge of FMCSA rules. Accurately documenting and reporting of mileage, fuel, tolls, cargo, routes and all shipping and receiving reports, and more.

EDUCATION

EL PASO COMMUNITY COLLEGE, EL PASO, TEXAS

INTERNATIONAL SCHOOL OF TRUCK DRIVING, DALLAS, TEXAS

SKILLS

20+ years of warehouse/production experience, forklift (all types), packaging/wrapping skids, loading and unloading deliveries, pulling/stocking orders, inventory reporting and documentation

10+ years company and owner operator truck driving experience
