## PROFESSIONAL SUMMARY

### Digital Ally 2016–Present Electronics Technician

As a Quality Inspector I ensured proper function, inspected for visual damage on refurbished DVM 800/250, Body Cams (3 diff types) and 10x/12x cameras before they went out to the customer. As an Electronics Technician I, I have repaired DA products and acquired knowledge on how products function and how they tend to fail after real world situations. This position allowed me to see what deficiencies customers are having with our products.

**Electrical and Avionics System Component Repairer** and Military Veteran with a **Secret Security Clearance** and 4 years of proven experience in the **United States Army**. Accomplished measurable results while leading teams of 3 in a dynamic, fast – paced environment. Possess a comprehensive background in data entry, logistics, and resource management derived from conducting domestic and global operations in Afghanistan. Managed risk upon multiple lines to protect assets, property, and equipment valued over \$25M while meeting the expectations of senior leadership. Possess extensive knowledge in electrical wire repair, schematic reading, and avionic maintenance. Recipient of multiple awards for outstanding performance and professionalism.

## PROFESSIONAL EXPERIENCE

### UNITED STATES ARMY – Various Locations 2012 – 2016

#### Armament/Electrical/Avionic Systems Repairer

Repaired all electrical, avionics, weapons, missile, and flight control systems; instructed maintenance concepts, preventive maintenance, equipment inspections, troubleshooting, fault detection, and fault isolation.

- Provided proper maintenance of over \$9M worth of electronics on each aircraft
- Performed over 2000 man hours of maintenance overseas in a 6–month time span
- Organized and maintained accountability over \$80K worth of parts and equipment which helped maintain mission readiness

### **Junior Maintenance Supervisor 2014-2016**

Led, mentored, and trained a 3-person team on how to conduct proper maintenance, electrical component repair, and aircraft maintenance record keeping.

- Repaired, replaced, and performed operational and preventive checks and alignments on aircraft flight controls, stabilization systems, and controlled cryptographic communication equipment
- Troubleshoot equipment wiring harnesses using technical manuals and schematic drawings to diagnose and isolate faults and effect repairs on a fleet of 12 helicopters
- Updated records of all maintenance done and requisitions of parts
- Calibrated, tested and maintained electrical and mechanical avionics equipment

### **SOUTH EAST AREA ANIMAL CONTROL - Downey, CA**

**2007 - 2010**

#### **License Canvasser**

Enforced Los Angeles County dog licensing bylaws and disseminated information to residents about dog ownership responsibilities.

- Canvassed routes and sold dog licenses to residents in L.A. County
- Secured stray animals; provided housing and care of homeless animals and coordinated adoptions

### **EDUCATION**

Associate of Arts, Fresno City College

### **AWARDS**

Joint Service Commendation Medal  
Distinguished Service Medal  
Meritorious Service Medal
