PROFILE

Over 18 years "hands-on" experience in the construction field. Familiar with the various divisions of construction. Knowledgeable with JSA's, hot work permits, RFI's, project "punch-lists". Able to read shop prints/ construction plans/ schematics; attention to detail, and a logical thinker. Willing to work long hours. Great work ethic and quick learner. Ability to think on my feet and make suitable modifications in field, thereby saving time and money, while maintaining a positive, productive, and safe environment. Always work with pride and enthusiasm. Enjoy learning and ready to take-on new challenges.
