

JOHN BRYANT

18817 147th Street Northwest, Elk River, MN 55330 | H: (763) 232-4100 | huntalot21@hotmail.com

EXPERIENCE

- 01/2016 to 09/2016 Welder Fabricator
Mark's Welding – Osakis, MN
- Operated .035 .045 gmax .045 fcaw and the occasional stick welding job running 1/8 7018 flat
 - Laid out, positioned, aligned and secured parts and assemblies with self made fixture when required, or laid out by hand with tape measure and squares
 - Followed all safety guidelines, including proper machine guarding
 - Adjusted the weld machines to the correct settings prior to weld applications.
 - Cleaned and degreased weld joints and workpieces efficiently.
 - Prepared broken parts for welding by properly grooving and scarfing surfaces.
- 09/2016 to Current Welder Fabricator
Standard Iron & Wire Works Inc – Alexandria, MN
- used blue prints to layout parts with tape measure to be welded
 - used .052 pulse welding machine to make welds from single pass 3/16" (4.8 mm) to 3/4" (19 mm)
 - use parts that were pre-welded inside large fixture to create larger more technical parts
 - Provided onsite training
 - was the only welder on a newly received job and was the one to find and work out all bug in the building and welding process
 - use multiple sized forklifts to move parts material and large fixtures
 - Adjusted the weld machines to the correct settings prior to weld applications.
 - Followed all safety guidelines, including proper machine guarding

SKILLS

- Blueprint reading
- Quick learner
- spent time welding with MCAW
GTAW FCAW GMAW SMAW
- Understand how to use
oxy acetylene torch/welder
- Understand how to set up and
use a plasma cutter
- Spent time in school welding
aluminum pulse and mig

CERTIFICATIONS

- SMAW 3/8" plate 1-G Flat AWS structural steel D1.1-2010

- GMAW 3/8" plate 1-G Flat AWS structural steel D1.1-2010
- GMAW 3/8" plate 3-G Vertical Up AWS structural steel D1.1-2010
- FCAW 1" plate 3-G Vertical Up AWS structural steel D1.1-2010

EDUCATION AND TRAINING

2016

1G certification SMAW AWS certified 1G and 3G certification 0.35 GMAW 3g certification FCAW

diploma/certificate : welding alexandria technical and community college Alexandria, M N, united state Coursework in blue print reading, safety and code, math I and II, job seeking skills. Also received 4 welding certifications through this program. along with a list of knowledge from oxy fuel cutting and welding, mig welding (steel,aluminium,stainless steel), arc welding, tig welding(steel,aluminium,stainless steel),flux core welding, metal core welding
