## EXPERIENCE

**04/2016 - 10/2016**

**OVERNIGHT STOCK, WAL-MART**

Occasionally we would unload trucks, and sometimes our merchandise was already on the floor to start stocking the shelves.

**03/2014 - 01/2015**

**OVERNIGHT STOCK, TARGET**

We always started our nights by unloading trucks and separating each box to different pallets. After we would bring the pallets to the floor to stock.

**04/2011 - 12/2012**

**WOODSHOP LEAD, PPL INDUSTRIES**

I started in the bed teardown where I would separate the cloth and the springs inside. Then eventually I moved over to the woodshop to build wood pallets for different companies.
