AWARDS

Community service award

2016-04

I received an award from the Yellow Ribbon Suicide Prevention Program, for my continuous efforts to help prevent suicide. I created and ran an event that raised over \$30,000 to help promote suicide prevention in memory of my best friend who committed suicide.

Business Student of the Year

2016-04

I was awarded this, because of my outstanding performance in FBLA and on winning the state title for community service.
