Work Experience

Property Maintenance Technician

Velociti Services - Commerce City, CO

July 2022 to Present

In charge of repairing lights installing doors repairing doors kicked in changing ceiling tiles Landscaping of property Mowing and weed ability to cut all kinds of materials down and to fit window installation and low voltage wiring still learning power washing and door knob installation learning on locksmith know how to pick locks but learning to repin have the basics down

The one of my favorite things that I got to do at this job was mowing
