## Work Experience

---

### **Plant Operator**

BESTWAY CONCRETE - Golden, CO

July 2018 to Present

Operate wash plant, belt press, and crusher plant to make 3/4" and 1 1/2" rock. Maintain all equipment to ensure safety for all workers. Inspect equipment daily for safety and production. Also operate skid steer to clean plant and move equipment and material. Occasionally use loader to move material.

### **Owner/Operator**

J&M concrete - Windsor, CO

January 2014 to Present

As the owner/ operator I meet with the client and find out what their needs are. Afterwards, complete an estimate for all materials and labor and write a job takeoff. I perform a variety of tasks to complete construction projects including concrete flat work, painting; minor framing, plumbing and electrical.

### **Supervisor**

Lynn Derry construction - Loveland, CO

April 2006 to January 2014

Supervision of a construction crew performing framing and concrete work. Order all materials and handle all scheduling as well as face to face customer interactions.

## Education

---

### **Associate in Architectural drafting and design**

Front Range Community College - Fort Collins, CO

August 2009 to August 2011

## Skills

---

Concrete set up and finishing, Framing, Plumbing and electrical, Ability to fluently read blue prints and engineering plans, Power, Diesel

## Additional Information

---

Every project that I work on gets the up most attention to detail. Quality is a must have over quantity along with customer satisfaction.
