WORK EXPERIENCE

Forklift Operator

Lineage Logistics - Greeley, CO - 2013-01 - 2016-09

Responsible for pulling orders according to the pick ticket issued. Pulled product from the freezer and cooler out to the dock to be worked. Also assisted with the loading and unloading of trucks by forklift and by pallet jack. Along with other warehouse duties like building and shrink wrapping pallets as well as the scanning and receiving of inbound product. Prior to having this position i was the night shift supervisor who oversaw the receiving of product. Stepped down from the position to focus on custodial issues regarding my children.

General Laborer

Northern Solutions Flooring Concepts - Evans, CO - 2011-02 - 2012-12

Assisted with the installation of hardwood flooring, carpet, and tile. Also responsible for general clean up and other duties as instructed.

Order Picker/Machine Operator

Norfolk Iron & Metal Co. - Greeley, CO - 2007-06 - 2008-07

Was responsible for picking orders of steel with the assistance of my forklift operator. Also worked the braner table where the orders of steel were taken after being picked to be bundled and separated accordingly. Also helped in retrieving product from the overstock area using an overhead crane.

Warehouse Associate

Walmart - Greeley, CO - 2003-04 - 2006-09

Assisted with the unloading of incoming freight by hand using a manual conveyer as well as using manual operated pallet jacks. Placed the product on the designated pallets to be placed and stocked in the departments by the overnight associates.

EDUCATION

GED

Platte Valley High School - Kersey, CO
