

Jacob McKeone

627 8th Ave, Greeley, Colorado, 80631 * (810)908-6272 * jmckeone88@gmail.com

CAREER OBJECTIVE

I am looking to acquire a position using my knowledge of working in industrial fields, some of the most intense environments around to bring my critical thinking and goal-oriented work ethic to your company. I am looking for a position that actually matters, where I can make a difference in the company. I am a team leader; I don't mind taking charge if it means helping the group out. The stress only adds to the success!

WORK EXPERIENCE

DEMME CORP, Lansing, MI

Welder, Feb 2007 - Sep 2009

- Fabricate and weld MWRAP vehicles to code, use various TIG and MIG applications. Hand tools, air tools and assorted grinders used to shape and clean welds.

VCONVERTER, Whitmore Lake, MI

Team Leader/Welder, Sep 2009 - Apr 2013

- Manage 1st shift employees, rate of production to meet goals and manage raw material quantities. Responsible for quality approval on all 1st run components, sheet metal forming and filling in when my welders called in. Primarily used 316ss with MIG and TIG operations.

UNIVERSAL RACK, Mt. Juliet, TN

Drafter/Welder, Apr 2013 - Sep 2016

- Responsible for drafting components needed for laser cutting, roll forming and other computer-based machining. Composed 3d models of most components for new customers, including dimensional reports for all prospective customers. On the welding floor, I was responsible for the shops TIG welding and their aluminum MIG welding. Creating mounting brackets to paint and plate vehicular components.

BEATTY CONSTRUCTION

Welder/Fabricator, Jan 2017 - Present

- Fabrication of hand rails and stair cases for stadiums and other structures. Operated CNC machines and other automated equipment. Primarily used mild steel MIG welding, large grinders and hand tools, as well as files and small sanders.

STATE FARM, Greeley, CO
