

Jacqueline Fisher

Housekeeper

Hayfield, MN 55940

jackie091991@hotmail.com - 5074606700

I have nearly 3 years of hotel housekeeping experience. I don't mind working in a team setting or on my own. I'm punctual, and I have no other obligations such as school, children, etc. I am available to work weekdays, weekends and holidays. I enjoy learning, and don't mind doing a little bit of everything. I prefer being indispensable so I can go where I'm needed. I'm teachable and eager to learn.

Authorized to work in the US for any employer

WORK EXPERIENCE

Housekeeper

Staybridge Suites - Rochester, MN - May 2016 to March 2017

Basic cleaning: sweeping, dusting, sanitizing, replenishing amenities, washing dishes and changes sheets.

housekeeping / hostess

Homewood Suites by Hilton - Rochester, MN - October 2014 to February 2016

Responsibilities

In the kitchen: clean tables, refill food items as needed, answer any questions guests may have, basic cleaning, cooking, and carrying trays up to guests who need assistance.

In the housekeeping department: make beds, clean bathrooms, vacuum, sweep, and mop floors. Refill bathroom and kitchen amenities, and any other request a guest has.

Accomplishments

I've always enjoyed cleaning and things of that nature. At the hotel I work at, there are a lot of guests who are staying in the hotel to be close to the Mayo Clinic. I get to help sick people with basic cleaning, laundry, groceries, and providing the best guest service possible. I am a people person, I enjoy serving others and making their experience as smooth as possible no matter what the circumstances of their stay. Growing up, my mother had 5 fatal illnesses and I would do these chores and basic things that she couldn't do on her own. When I'm cleaning for people, no matter if they are sick or well, it reminds me of taking care of my mother, and it's very dear to my heart. I truly have a passion for helping and serving people.

Skills Used

Cleaning, Training People in, Washing laundry, Communicating with people, Working independently and as a team. In the kitchen area: assisting with supper and breakfast, clean up & set up.
