I am a Army Veteran seeking a career opportunity in Colorado. I would like to join a company that I can gain knowledge and experience, advance within the company, and grow with the company. I am looking forward to furthering my skills and job trades.

EXPERIENCE

APRIL 2018 - CURRENT

MANUFACTURING, OFS BRANDS

Assemble Chairs, Adhere to Quality Standards was the main responsibility for this job. Work as a Lean Manufacturing facility as well as a Green Company.

NOVEMBER 2013 - APRIL 2018

MANUFACTURING, MASTERBRAND CABINETS, INC

I held many positions at Masterbrand. This is the Largest cabinet company in the United States. I was a material specialist; therefore, I was able to tell the species of wood and the color of wood. I pulled material as needed for 2 Machines making sure they were able to operate as scheduled. I oversaw over 45 People along with 30 Spray guns and 33 Pumps that pumped the Finish Materials to the spray guns. I also held Fork truck and high bay License with strict measurements of safety.

APRIL 2007 - NOVEMBER 2013

MANUFACTURING, TERMINIX

Within this position, I operated mostly on my own without continuous supervision of a supervisor. I oversaw scheduling over 360 customers within a 2-hour Time Span in a month. I made their time frame work for their scheduling as well as mine. I concentrated on customer service and adhered to their needs and problems. With this Job I had to hold a State Chemical License to be able to apply Chemical at a customer's house. Learned to be flexible with Customer Demands. I was also the lead Sales as a tech in the state sales with a total of over \$90,000 In 1 Year.
