EMPLOYMENT HISTORY

Operator / Manufacturer

Broadcom | 2019

I operated in a semiconductor fabrication facility, overseeing the manufacture of microcircuits on silicon wafers with specialized tools. I passed the training course at the top of my class, placing me in an exclusive building with higher responsibilities and more advanced tools.

Store Assistant

Colorado State University Bookstore | 2017 - 2018

I maintained inventory pickup from 5 locations around campus, delivered materials needed to remote sites, communicated with the main campus location for remote needs, and assisted customers and represented the bookstore around campus.

Team Member

Matador | 2015 - 2018

I oversaw all functions of the restaurant while communicating with staff and customers to establish a relaxed work environment, but more importantly, an enjoyable eating experience.
