Work Experience

Delivery driver/ production manager

Broncorp manufacturer - Denver, CO
April 2007 to December 2020

Was responsible for all pick up and drop off of all material related to production. Drove 30' Box truck for 14 years never had an accident or incident. I have a clean driving record and never had a DUI or DWI. Never miss a delivery or was late for delivery or drop off. As production manager I was responsible for the manufacturing of Dedoes cyclone paint shaker. I was responsible for all quality control as well as making sure all parts were ordered and stock. Was responsible for seeing all monthly production goals were met. Was responsible for packaging and shipping of all related product. Had perfect track record of 14 years never missing a shipment. I was responsible for machining all parts. Was responsible as well for all final assembly and testing of all paint shakers.
