

Job Description Sanitation Employee

SUMMARY

Personnel are responsible for the complete clean up of production and non-production areas, using low pressure water hoses, manual scrubbing and chemicals. Employees remove garbage, disassemble miscellaneous equipment, wash, clean and sanitize the equipment, and prepare for inspection in the morning prior to general operations start up. This position includes cleaning of welfare areas as assigned. If absent, the Sanitation Lead and/or another trained employee or trained back-up will be scheduled to cover responsibilities for this position.

PRIMARY RESPONSIBILITIES

1. Know and understand cleaning procedures and correct concentration and application of all cleaning and sanitizing chemicals.
2. Must complete safety training associated with the chemicals used in this position. Must follow all PPE requirements necessary for job tasks, and know how to use MSDS information when needed.
3. Understand the operational controls of production lines scheduled to be cleaned.
4. May need to use pallet jack or dollies to move materials. Employee works closely with other operators to attain daily production goals.
5. Must be able to do physically demanding work with some lifting, up to 50 lbs.. Employee should be able to work in either warm or cold temperatures and stand on the job for a maximum of 5 hours at a time. Employees must also possess physical stamina with a range of motion and dexterity.
6. Must comply with regulatory as well as company food safety, employee hygiene, quality and employee safety rules and policies.
7. Must retain knowledge of all cleaning procedures necessary to the position.
8. Goals, standards and deadlines associated with cleanliness, cleaning times, production start times, etc. will be set with expectations of completing them.

PHSICAL ENVIRONMENT/WORKING CONDITIONS

This position is in a manufacturing environment and will involve standing and walking for long periods of time, working in warm and cold temperatures, and some lifting of up to 50 pounds. Employee must possess physical stamina with a range of motion and dexterity. This position requires the employees to work with a wide range of hazardous chemicals. This is a fast paced team oriented environment. This position requires the ability to hold on to trigger spray hose nozzles while spraying equipment down at different times through the shift for extended periods of time. Manual scrubbing with scrub pads and or brushes is required to thoroughly clean equipment. This position is set in a continuously wet environment and employee can expect some water to penetrate PPE. May be required to work an occasional Saturday and/or Sunday as needed.
