PROFESSIONAL EXPERIENCE

United States Army, Fort Bliss, Texas
August 2018-Present
Patriot Missile Fire Control Operator/ Maintainer

Suwon, South Korea 2016-2018
Patriot Missile Fire Control Operator/ Maintainer
I was a system maintenance noncommissioned officer in charge in Korea. During my time in Korea I was a member of a team that

maintained an air missile defense system, also managed in classified equipment vital to national security and the safety of soldiers that resulted in zero losses, and the continued integrity of all classified materials. I was a team leader of two soldiers as the maintenance NCOIC and was Awarded the Army Achievement Medal by senior leaders for superior performance for tour in Korea.

Maintained 100% accountability and serviceability of all assigned equipment in excess in a patriot missile control battery.
