## ADDITIONAL INFORMATION

### **TECHNICAL SKILLS**

- Proficient in using main Microsoft Office applications
- Windows 7
- Adobe PDF

#### COMMUNICATION

- Confident verbal communication skills with customers when doing service work for Front Range Mountain Air. Keeping a professional reputation for the company by being on time and keeping my clients happy

#### TEAM WORK

- Accustomed to working with other people in day to day job duties. For problem solving situation that occur on a day to day basis. Willingness to apply myself where is needed no matter the job or person.

#### PROBLEM SOVING SKILLS

- Able to deal with problems calmly and efficiently not only at my current employer but also a Front Range mountain air. Careful not to approach situations in a neutral non-personal manner, employ active listening skills and ask appropriate questions.
