Great person ready to work. I was at my last job 23 1/2 years. Looking to maybe stay with the same kind of work but also thinking of trying something new. I was a great receiver, fast and minimal mistakes. Also like working in a clean environment. Looking for something during the day or evenings. I'm willing to learn new skills!

Authorized to work in the US for any employer

## Work Experience

### **Warehouse Receiver, forklift operator**

— Experience Americold Logistics - Denver, CO

September 1998 to July 2022

As a receiver I was responsible for counting and inspecting product coming in to the warehouse which included meat, deli, dairy, produce and floral. I was responsible in directing the unloading companies associates to break down pallets to our Ti- Tier specifications. I was responsible in recording temperature of all meat, seafood, cooler and deli products, also rejecting any damage or over temperature product. Also talking with drivers, signing BOL and PO's. As a forklift operator I was responsible for putting away received pallets, doing letdown, replenishing pick slots for order selection and removal of empty pallets. This employer is a 3rd party logistic that supplies King Soopers and City Market stores. (Kroger). Refrigerated warehouse.
