

Jamil Mathis

Machine Operator

Denver, CO 80206

jamilmathis3_si8@indeedemail.com

4238882267

My objective is to secure an entry-level position with the opportunity to utilize my skills for the advancement in the company. By doing so I will use my strong work ethics and willingness to learn about the company so we can grow together. I communicate and interact effectively with co-workers and management.

Authorized to work in the US for any employer

Work Experience

General Laborer

Pilgrim's Pride - Chattanooga, TN

January 2019 to Present

I was a receiver/utilities operator at feed mill and my job duties was to empty out ingredients made to make the chicken feed. I was trained to move and hook up railcars to empty out corn or soy. I was also using the forklift to bring materials into the warehouse

Machine Operator

Good Foods - Racine, WI

January 2018 to November 2018

As a machine operator all I did was put the product that was for an order in the machine and fill out paperwork of everything I did for each order and how long it took. I also did maintenance work on my own if needed on my machine so that I was effective with my day.

Assembly Line Worker

Volkswagon - Chattanooga, TN

October 2015 to December 2017

Assembly

Assembled car parts and maintained a safety work area on a production line at a timely rate. I restocked supplies and equipment needed for my specific work station.

Picker

Amazon - Chattanooga, TN

August 2013 to October 2015

- Examine products to verify conformance to quality standards.
- Place products in equipment or on work surfaces for further processing, inspecting, or wrapping.
- Pack and store materials and products.
- Operate machinery used in the production process, or assist machine operators.
- Load and unload items from machines, conveyors, and conveyances.
- Break up defective products for reprocessing.

- Help production workers by performing duties of lesser skill, such as supplying or holding materials or tools, or cleaning work areas and equipment.
