

JARED HOLZMAN

jrock568@yahoo.com | 508-631-2239 | Fort Collins, CO 80526

Summary

Versatile carpenter able to adapt left-brain/right-brain solutions to most any rough framing and finish scenarios. Meticulous in nature and consistent in product output. Strong drive and being challenge-orientated allows for an ever evolving efficiency. With almost 20 consecutive years in the construction field, I have clearly found a niche through carpentry.

Skills

- OSHA safety requirements
- Interpreting blueprints
- Building codes and regulations
- Renovations, building and demolition
- Training employees
- Installing staging
- Coordinating/managing subcontractors
- Homeowner consultations
- Problem shouting

Experience

Hamilton + Finch | Hull, MA

General Contractor and Construction Manager

01/2006 - 10/2021

- Coordinated construction planning, material resources and staff scheduling several simultaneous jobs.
- Resolved issues during construction and commissioning phases to maintain tight schedules and budget levels.
- Monitored daily construction and evaluated project progress, contract compliance and safety.
- Monitored and assessed schedule performance and quality workmanship of contractors.
- Conducted walk-through inspections and other scheduled inspections with homeowners.
- Trained construction teams on site-specific requirements, techniques and procedures.
- Directed general contractor on required mock-up preparation.
-

Sagamore Hill Woodworking | Hull, MA

Cabinet Maker/Installer

06/2004 - 12/2005

Designed custom cabinets and furniture in-shop to site specifications. Transported and installed cabinetry/furniture on-site. In retrofitting builds, many sites required additional modifications, finish details, and built-ins. Some sites also required replicating preexisting designs/profiles.

Education and Training

Hull High School | Hull, MA

High School Diploma

05/2004

Quincy College | Quincy, MA

Associate of Science in Nursing/Medical
