August 2023 to Present

I'm an HDD Locator and Forman as well as an hdd Operator. I have 4 years of drilling experience as well as 2 years locator/forman experience with skills on both Ditch Witch and Vermeer machines. I also have 4 years experience in running a Mini Excavator, a Skidster, front end loader ,and a rubber tire backhoe.

Welding Student

Cci-Pueblo, CO

December 2018 to February 2020

I spent one year as a welder's assistant after taking a one year welding class through NCCER completing level one and level two welding. Where I learned Blueprint reading, project layout, tape measure reading, Stick welding, Welding TIG, MIG, AND Flux Core. Also how to operate an oxy acetylene torch, plasma torch, and power tools. While I was a welders assistant I also learned a little bit of metal fabrication and assembly. I've take an OSHA 10 hour, a REC 121: Field Leadership for Fall Prevention and Safety course through the Rocky Mountain Education Center, and an NCCER Core Curriculum: Introductory to Craft Skills/Power Industry/ Fundamentals/Construction Site Safety as well as Heavy Equipment Excavator Sim. and CDL Sim. Class.
