## WORK EXPERIENCE

### **Warehouse Associate**

Kenco Logistics - Portage, MI - March 2015 to July 2015

#### Responsibilities

Forklift driver, load and unload hospital furniture, scan and put away.

#### Accomplishments

Satisfied customers with a clean and hardworking environment and a positive attitude.

#### Skills Used

scanners, basic math, forklift, push and lift up to 60 lbs.

### **B Operator**

Bowers Manufacture - Portage, MI - December 2014 to February 2015

#### Responsibilities

Produce parts on saws, punch presses, and drills.

#### Accomplishments

I kept a high part produce rate and numerous customers happy due to my ability to produce quality parts.

#### Skills Used

Hand-eye coordination, speed, efficiency, Calipers, punch press, saw, and drill

### **B Operator**

Sapa Extrusions - Kalamazoo, MI - September 2014 to November 2014

#### Responsibilities

Operating B Machines; punch presses, drills, and CNC.

#### Skills Used

Understanding how the machines work, and how to produce a quality part in good timing.

### **Warehouse Specialist**

Denso Manufacture - Battle Creek, MI - May 2014 to July 2014

#### Responsibilities

Putting boxes up to 50 pounds on shelves, and driving a tugger around the warehouse.

#### Skills Used

Scanning, lifting, forklift (although i didn't receive my license for it) reading, and counting.
