Dear Jasmine ,

I'm a young woman who's trying to figure out exactly what I want to do for a career , I'm looking for a position with great customer service or maybe even a higher position such as lead I've done multiple positions as lead and all my jobs have been customer service I'm also looking for a company with respect and honesty and people I can communicate with on a daily basis but also get my job done.

Sincerely,
Jasmine Brouhard
