+1(970)498-7552

Dedicated manufacturing professional experienced in mechanical assembly and inspections. Devoted and resourceful with strengths in operating and maintaining equipment and tools. Looking for a long-term position with employment with room for advancement.

Work Experience

Mechanical Assembler LV. 3

Woodward Inc. - Fort Collins, CO

June 2019 to June 2022

- Maintained a neat and clean working area, clearing debris, and organizing parts.
- Read and interpret drawings and schematics to assemble parts and products.
- Performed repeated tasks while sitting or standing over extended periods of time.
- Collaborated with other line workers and team members to assemble and repair parts.
- Notified engineering of errors and discrepancies.
- Identified defective items and made repairs according to department standards.
- Tested finished products for compliance with tolerances and overall quality.
- Trained and instructed coworkers in proper assembly techniques.

Construction Worker

Alpine Custom Carpentry - Loveland, CO

May 2015 to May 2022

- Kept great job site awareness
- Maintained great customer service
- Worked in a safe and organized fashion
- Capable of resolving issues as they arose
