Objective Welding Position.

Education Certificate in Welding and Metal Fabrication
Graduated December 2016
Dunwoody College of Technology
Minneapolis, MN

- Skills**
- **Oxyfuel Welding: (1F, 2F, 3F, 4F) (1G, 2G, 3G, 4G)** Basics of Combustion, Fuel Types, Flame Characteristics, Advantages, Disadvantages and Equipment.
 - **Shielded Metal Arc Welding: (1F, 2F, 3F, 4F) (1G, 2G, 3G, 4G, 5G, 6G)** Process Characteristics, Operations, Equipment, and Process Variables.
 - **Gas Tungsten Arc Welding: (1F, 2F, 3F, 4F) (1G, 2G, 3G, 4G, 5G, 6G)** Principles, Operations, Equipment, Shielding Gases, and Process Variables.
 - **Gas Metal Arc Welding: (1F, 2F, 3F, 4F) (1G, 2G, 3G, 4G)** Principles, Equipment, and Metal Transfer Modes, Consumables, Shielding Gases, Equipment, and Process Variables.
 - **Flux Cored Arc Welding:** Principles, Equipment, and Consumables, Shielding Gases, Equipment, and Process Variables.
 - **Submerged Arc Welding:** Principles, Equipment, and Materials, Electrodes, Flux, Equipment, and Process Variables.
 - **Basics of Welding Metallurgy:** Atomic Structures and Properties of Metals, States of Matter, Alloys, and Heat Affected Zones.
 - **Welding Discontinuities and Their Causes:** Process, Metallurgical, and Base Metal Discontinuities and Structural Discontinuities.
 - **Oxyfuel & Plasma Arc Cutting Basics and Equipment:** Oxyfuel Cutting Flame Types, Gas Types, Cutting Variables and Limitations and Safety.
 - **Blueprints & Symbols For Welding:** Reading Technical Drawings, Welding Joint Design and Welding Symbols.

Experience MIG/ TIG Welder / Fabricator
January 2017 - Present
Responsibilities include:
Weld various gage aluminum using a Miller Dynasty 350 and Miller Millermatic 350P.
Setting-up, laying out work using jigs/fixtures or hand layouts to fabricate parts and/or rework finished parts. Read and following job order specification, engineering drawing and blueprints. Clean or degreases weld joint or work piece, Repairs broken or cracked parts. Perform the work of other job tasks and departments (Grinding, assembly, Shear table, punch press, shipping)
Americlad Quality Metalcrafts
Rogers, MN

Prep Cook/Server
February 2015 - January 2017
Responsibilities include:
Prep/Setup food for chef, Serve patients and co-workers meals.
Hazelden Treatment Center
Plymouth, MN
