WORK EXPERIENCE

Holmberg Company — Machine Operator

05/2017 to Present, Plymouth, Minnesota

I'm responsible for setting up my press and all troubleshooting for break downs that occurs throughout my shift. Ability to hang rolls of paper, feed and thread press, change sheets Also pick any material needed to package and ship finished products. Documented all dementions of products and determined the quality in order to ship the product to the customer.

I'm skilled in all areas of the warehouse. Certified fork lift driver, experienced shipping and receiving clerk, loading and unloading trailors, material handler, quality control inspecting, read manifests, and blueprints.

Park Printing — fork lift driver

03/2004 to 03/2007, minneapolis

My responsibility to this position was to load any product being shipped to customers, and any material coming in that was ours. Putting all material away to it's proper places in the warehouse.

I was also responsible for bringing materials to press operator's and picking up finished products.

I was also responsible to have knowledge of recording invatory of everything and ware it was located.

I was able to learn how to drive all sizes and different types of lifts. I'm familiar with claw trucks, gas, and propane trucks.

EDUCATION

Saint Paul College — welding and metal fabrication.

03/2010 to 03/2015

Teen Challenge Leadership Institute — studied ministry

04/2014 to 03/2016
