Professional Summary

so brief summary i have a lof of experience just need one shot prove myself

Work Experience

Seasonal Forklift Operator

Veyer | Denver, CO

February 2026 to March 2026

So my job was to pick paper and drive a cherry picker and pick product and also all around the warehouse and had to get 5000 in a day and I did it consistently but they let me go because I was just seasonal

Warehouse Loader/Unloader

Penske Logistics | Denver, CO

January 2020 to February 2026

So my job was loading and unloading trailer and then they will move me around from picking and shipping and put away and then later on through a year they move me to clerk so I will get damage product in and lower are damaged so we had 500,000 and I got it to 75,000 in a year and then they moved me to senior operation manager where I will run night and morning shift and I did it for 3 years and then are general manager left and I jumped into Role for 2 years and I will be running all the west coast like Seattle and California and Utah and New Mexico and I will train other general manager and get them familiar with the role and I will run a sales team with it to get new clients and ran about 5 people in that
