### **Concessionaire/kitchen Support**

Cinemark Movie & Bistro XD - Fort Collins, CO

January 2016 to December 2018

Departments Worked:

Usher (Selling tickets and assisting guests with questions)

Concessions (Bartender, barista, candy stocker, general maintenance, serving fresh concessions items to guests)

Kitchen (Food prep, grill/appetizers line cook, BOH and dish closing, maintaining the cleanliness of all utensils and surfaces)

Cinemark taught me the values of effective communication (especially since every department had radios on the same channel) and greatly developed my skills in customer support and satisfaction. Barista work and serving alcohol taught me to learn how to complete detail-oriented natured work at a fast very pace (new-releases are the norm in the movie business) in ways other service jobs didn't, and the alcohol sales taught me many skills regarding handling rude/upset (and intoxicated) customers with grace and diligence while maintaining and adhering to company policies & local/state laws.
