Indeed Assessments provides skills tests that are not indicative of a license or certification, or continued development in any professional field.

Additional Information

In 2018, I was convicted of a felony and served 3+ years in prison. However during my incarceration I was able to take classes and take part in programs such as HVAC, Foundations, and carpentry that I believe will help me succeed and be able to work past prior mistakes. I plan to return back to work and become a responsible role model for myself and the people around me.
