Work Experience

Order Filler

Food Services of America - Loveland, CO

April 2019 to August 2019

- Accurately, safely and efficiently select roughly 145 cases every hour from shelves and other storage areas using electric pallet jacks and forklifts.
- Identify and build pallets with dry, chill and frozen items.
- Apply labels accurately with right placement and right product to ensure outbound product is properly stacked, sequenced and securely wrapped.
- Operate voice selection system, WMS/ERP and related hardware devices.
- Abide by federal and state regulations as pertaining to HAZMAT, OSHA and food safety requirements.

Warehouse Operator Level 2

Leprino Foods - Greeley, CO

November 2018 to April 2019

2901 1st Ave 80631 (970) 347-5100

- Manage inventory and effectively plan product movements for 176,000 lbs of cheese per day
- Record and track inventory data from production to shipping
- Meet expected work quotas while operating equipment governed to 80% of the operating capacity of my peers
- Receive and prepare shipping documents for inbound/outbound trucks
- Communicate shift hand-down information to team members, supervisors, and managers.

Order Filler

Wal-Mart Stores - Cheyenne, WY

September 2016 to November 2018

426 Logistics Drive 82009 (307) 633-5008

- Operated heavy Crown machinery to stack and move product across the floor
- Maintained a safe working environment through cleanliness and leading by example to meet safety standards
- Prepped pallets of product for shipping exceeding production quotas by 50%-60% per day-to-day basis
- Instructed and refined roughly 40 new hires and 15 below-quota associates
- Earned the responsibility of operating a three-story conveyor and elevator system to transport product from refrigerated work areas to the shipping dock

Maintenance Associate

Wal-Mart Stores - Great Falls, MT

October 2015 to August 2016

701 Smelter Avenue NE 59404 (406) 761-5426

- Clean and maintain functionality of facility
- Ensure cooperation with safety standards
- Aid in customer service as needed

Unloader
