Authorized to work in the US for any employer

Work Experience

Lead Machine Operator/Assembler

lozier - Omaha, NE
September 2007 to November 2017

Responsibilities

I ran a crew. I put together store fixtures for all retail stores. Welding, set ups, and almost all new hire training. I operated a fork lift sit down or stand up. Operated overhead crane. I was responsible for all quality. great attendance and made lead in two different departments.

Accomplishments

Making Lead in two different departments. Having the plant manager always come down to shake my hand. Had the respect of management.

Skills Used

Welding, tape measure, leadership skills. I would push employees to want to work harder and always do a good job. Operated overhead crane, and drove multiple forklifts.

Education

GED. Two classes at community collage in maintance

Mcc - Omaha, NE
