I started at Vestas Blades America in Windsor Colorado in the spring of 2008. I accomplished many goals while working there such as becoming a Crane Trainer and Crane Operator. I was also a Lead Operator for 4 of the years I worked there. While in the role of Lead Operator I attended a Supervisor Certificate Program and completed in 2012. I also completed CPR training along with other certifications such as fork lift and scaffolding (scissor) lift.

I left Vestas in 2015 to pursue other opportunities. I was rehired at Vestas in March 2017.
