## Work Experience

---

### Welder/Fabricator

**Superior industries** | Prescott Valley, AZ

October 2022 to December 2026

I worked at superior industries close to five years. Superior industries is a company that builds conveyors and screen plants and more. Working there has taught me many things in my career like having experience with heavy rigging. We ran spray arc 0.35 wire on thick and thin material.

### Welder/Fabricator

**Playcraft trailers** | Phoenix, AZ

December 2018 to September 2021

I worked for play craft trailers we ran 0.35 mig I've worked in multiple areas around the shop and learned alot

### Dishwasher

**IHOP** | Peoria, AZ

June 2016 to September 2018
