Work Experience

Owner/Job Supervisor

Liquid Decorations LLC - Savage, MN

October 2012 to November 2018

Started my own Painting Company. Became an LLC and created a website for interior and exterior (insured for both int/ext) house painting, decks, ceilings, wallpaper removal, enameling, and staining/finishing of woodwork.

Mig-6 welder

Chart Industry - New Prague, MN

October 2016 to November 2017

Worked in Stuffing : Used overhead cranes to position inner shell into outer shell, then plumb and align the two and weld support brackets according to blueprint specs to allow for the end caps to be placed on and welded.

Every tank is different and some weight 200 tons. These containers are fixed to train box cars, semi's or built to be placed on a platform in vertical or horizontal stature, depending on the clients particular needs

308 stainless to stainless, 309 stainless to carbon, using .45 Mig spray, required blueprint and troubleshooting, along with teamwork and elbow grease

Foreman/Painter

Kallstrom's Custom Painting - Eden Prairie, MN

February 2006 to October 2012

Hired as a foreman. I have fine-tuned my management capabilities as well as my proficiency as a painter and supervisor.

Foreman/Painter

Aschinger Properties - Macomb, IL

January 2005 to 2006

Began as a painter and was promoted to foreman. Job responsibilities included, supervising up to five-man teams, as well as coaching/motivating individuals when overseeing the job site. Additional duties included brush/roll, prep/spray, and other painting related activities.

Sales Associate

Gap, Inc - Skokie, IL

July 2003 to January 2005

Advanced my customer service skills, worked as part of a team, and learned the value of knowing my product in sales. Excelled in the initiation of our Brand Credit Card to customers. Certain months I was responsible for 40% of our store's GAP Card Goal accomplishments, and increased our customer's brand loyalty.

Welder

Taylorville Town Welding - Taylorville, IL
October 2001 to May 2003

Trained for MIG, stick, and some TIG welding. Proficient with cutting torch, and light fabrication and design. Accustomed to work steel, stainless steel, galvanized, and aluminum.

Education

Diploma in MIG, TIG, STICK and FLUX

Hennepin Technical College - Brooklyn Park, MN
January 2014 to May 2016

Certificate in Painting

Southeastern Illinois College - Harrisburg, IL
September 1999 to December 1999

Certificate in Advanced Auto Mechanics

Southeastern Illinois College - Harrisburg, IL
December 1997 to March 1998

Certificate in Basic Automotive

Lakeland College - Danville, IL
July 1997 to November 1997
