## Work Experience

---

### **Fast Food Worker**

Popeye's Louisiana Chicken | Zubha Pop Foods LLC - Thornton, CO

March 2023 to September 2023

When I worked here I was on the line doing food prep and making people orders such as their famous spicy and classic chicken sandwiches, making meals like chicken tenders, an fries, chicken nuggets, boxes of chicken like legs, thighs an wings. Then restocked sauces for the sandwiches, pickles an mayo plus i made the sauces from scratch and also made the coleslaw an made it fresh daily. I cleaned up the dining area, emptied trashes when needed to be done swept an moped and deep cleaned the kitchen then squeegeed the floor. Wiped down all of the food stations an sanitized every one every 30 minutes. Also I would do the dishes every night after my shift alone with cleaning the floors.

### **Warehouse Worker/Laborer**

Laborworks Industrial Staffing - Westminster, CO

March 2019 to September 2022

I was a temp doing various jobs through out the metro Denver area. Like working as a labor at job sites doing construction clean up. Also worked at various warehouses doing assembly, packaging, sorting pallets and wrapping pallets, stocking warehouses. Another was doing restoration work cleaning up fire, water, an other natural disasters that destroyed company's and peoples personal properties. I worked there on and off for about 3 to 4 years.

### **Lumper/Warehouse worker**

Unloading service - Commerce City, CO

May 2017 to October 2021

I worked at this company for about 4 years. I was a warehouse worker an a lumper. I would get contracted out to these various companies by my boss. I would load an unload semi trailers for various companys around the metro Denver area. I would charge the drivers of the company's a flat rate fee to unload there trailer for the company I was being contracted out to. I did various loads for company's like Goodyear tires unloading trailers of tires for this company, also QCD a warehouse distribution center for starbucks, Chick-fil-A, Einstein bagels, noodles and company and some other places. I worked in the dry dock, refrigerator dock an freezer dock. Another company was 3 logistics and Aspen warehouse distribution center I would sort an re stack cases of Coors light bottled beer. Also would unload semi trailers of instruments for guitar centers. I would palletize the instruments on pallets that had the same codes then shirk wrap Al the pallets and get them ready to be reloaded back onto a new trailer to be sent off to the stores in different states they needed to go to.

### **Custodian**

Majestic Metals - Denver, CO

March 2018 to June 2019

I worked for this company as the custodian. I did janitorial work such as cleaning bathrooms swept and mopped each bathroom, took out trash, scrubbed and cleaned each toilet also wiped down sinks every morning. Then would star cleaning offices making sure the trash was put out every morning and vacuumed the offices. Also did my rounds taking out all of the trashes around the warehouse were other employees stations were at. Would clean the break room every mornings swept and mopped then took out trash, wiped down table so the bosses could have their meetings in there every morning the would scrub and buff the floors every Saturday to make the floors nice and clean like they were brand new. I'd sweep the hole warehouse an All of the work stations then would put this mulch down that would trap All of the oils and grease that was on the ground then swept that up. I used the zanbonie to clean up the rest of the dirty floors throughout the warehouse walkways. Cleaned up Al of the ground made sure the trash was picked up around the warehouse and debris was all picked up. Then If I didn't have nothing Todo wich was rare I'd do anything the boss needed done.
