Work Experience

Driver

BAYAUD ENTERPRISES

January 2016 to Present

303-830-6885, George Arguable (Director)

Drive a large box truck around the Denver metro area to pick up secured documents and bring them back to the warehouse to be shredded.

Welder, Painter

MILLS EQUIPMENT COMPANY

October 2013 to January 2016

720-366-2586 Miguel Campos

Team trainer, making sure the metal is cut and grinded properly to get the welding started. Cut, fold, and fit the heads of metal. Weld petroleum, gas diesel, and oil tanks together. I am in charge of making sure the welding's are done correctly and have no leaks. After making sure there are no leaks I paint and get them ready to be delivered. My experience of forklifting apply to carrying the built tanks and pallets to their final drop off.

Education

High School Diploma
