Experience:

March 2006 to August 2020

TNG/ANC 11111 E. 53rd Ave., Denver, Colorado

Truck Driver: Drove a 26 foot box truck. Delivered books, magazines, gift cards, sun glasses, gloves, etc. Loaded product and unloaded returns daily. Scanned bar codes on all invoices and products. Pulled weekly publications for distribution. During this time I also delivered to DIA; hence, I had airport security clearance. I'm proficient in driving a fork lift.

Personal Profile:

I am highly discipline. Proof of this is I was self-employed for 4 years. I day traded the Forex market using technical analysis. I spent 16 months developing my own trading system.

I am persistent and persevering at resolving problems. One Friday afternoon on a Labor Day weekend, our computer system crashed. At the time I was working in IT for Blue Cross/Blue Shield. I worked for 72 hours straight talking to tech support from all around the world in order to bring our system up by late Monday afternoon.

Also I am highly reliable. In the 14 years as a truck driver I have never called in sick.

Education:

Attended Aurora University in Aurora, Illinois. I graduated with a MA in math and a minor in psychology.

Hobbies and Interest:

I'm a prolific reader, a researcher and I love to write. I also enjoy hiking, camping and snow skiing.
