Work in fast-paced and customer facing environments

August 2001- September 2006 United Parcel Service Load Auditor and Driver Minneapolis, MN

Load and unload trailers

Work in fast paced environment with timed workstations

Practice ergonomic posture while lifting, turning and driving

Audit package weights and dimensions before scanning for route assignment

Education & Certifications

- Graduated Anoka Hennepin Technical College (Presidents List 4.0 GPA, 2018)
Pursuing a degree in Pipe Welding &/ or Pipe Fitting - currently class criteria

consists of:

Blueprint Reading, Tig Welding, Mig Welding, Stick Welding, Oxy Fuel, Plasma Cutting and Hydraulic Cutting

- Welding Basic and Advanced Certificate
Certified May 2017

- Flux-Core Certified Certified May 2017
- 2G and 6G Pipe Certification Certified December 2017
- Education Level: High School Diploma
Blaine High School 1998- 2001
- Class A Certification with a Tanker Endorsement
Certified since June 2009
- OSHA Certified to operate Industrial Powered Forklifts
Recertified December 2014
- OSHA 10 Certification
Received June 2019
- First Responder CPR Certification
Certified since March 2013
- Airbrake Safety Certification
Certified since June 2009
- H2S Hazardous Gas Certification
Certified since March 2013

Recognition

Dean's and Presidents List in each of the last three semesters at Hennepin Technical College (2016- Current)

Drivers Safety Award (x2) - Schwan's Home Delivery, Trudeau Distributing

Employee of the Month - Schwan's Home Delivery

Employee Achievement Award - Schwan's Home Delivery
