Work Experience

Target Sortation Center, Warehouse Associate

February 2023 - October 2024

Sort boxes in different functions of the warehouse, stage carts for dispatch, and work with PIT equipment to move heavy or non conveyable packages.

Amazon, Warehouse Associate

July 2022 - January 2023 / Nov 2024 - Jan 2025

Worked in a Grocery warehouse and Fulfillment center. In Fulfillment I picked, packed, and stowed packages, In Grocery I got customer orders put together from the freezer and regular grocery items. These positions were seasonal roles.

Botanical Interests, Material Handler

March 2022 - May 2022 (Seasonal)

Would keep track of our seed inventory, Provide operators with seeds to go in packets, And put the finished seed packets into the stock.

Discount Tire , Tire Technician

October 2021 - January 2022

Change a variety of different tires/rims for all types of vehicles and trailers, balancing the tires, And repair holes in tires such as nails or screws.

UPS, Package Handler

March 2021 - October 2021

Unload trucks and sort packages into designated conveyor belts.

Walmart, Stocker

November 2020 - February 2021 (store closed)

Downstack pallets and separate items into their own pallet or cart, stock grocery around the store, also making sure to help customers.
