Warehouse/ Delivery Driver

All Shores-San Bruno, CA

April 2022 to August 2023

Prepared orders for customers and loaded the truck to go out and deliver. Worked at the market as a cashier. Was preparing the seafood to be sold and delivered out to the customers/ and other markets to sell.

Warehouse Clerk/Shipping, Receiving & Driver

AI Industries-Redwood City, CA

October 2019 to September 2020

I received and shipped all material according to the customer specifications and place material to correct department. I also made sure all parking slips are matched with material information. There would be times that I would be asked to deliver pallets to our customer site. I delivered to our customers in the east bay as well as in Morgan Hill.

Warehouse Worker

California Carpet-San Carlos, CA

September 2016 to May 2018

In charge of coordinating all deliveries as well as complete the deliveries, will calls. Also assisted in the shipping and receiving department and did all inventory management.

Warehouse Worker

Balance Staffing Agency-San Jose, CA
March 2016 to August 2016

As a Warehouse Worker, I was focused on ensuring that orders are correctly labeled and staged on designated pallets. I also was responsible for loading and making sure the proper changes were made to make sure the delivery was completed as well as unloading delivery trucks and cross checking with packing slip to make sure everything is accounted for.

Warehouse Assistant

Ascend Clinical-Redwood City, CA
May 2015 to February 2016

As a Warehouse Assistant, I was primarily focused on ensuring that orders are correctly labeled and staged on designated pallets. The Shipping, Receiving and

Inventory Warehouse Worker will also be entering data for FedEx and UPS in order to prepare orders for delivery. Receive and count stock items and record data manually or using a computer pack and unpack items to be stocked on shelves in stockrooms, warehouses, or storage yards picking orders for shipping, verify inventory computations by comparing them to physical counts of stock and investigate discrepancies. Store items in an orderly and accessible manner in warehouses mark stock items using identification tags, stamps, electric marking tools, or other labeling equipment. I also cleaned and maintained supplies, equipment and storage areas in order to ensure compliance with safety regulations.

Warehouse Assistant

Advanced Components Technology-Redwood City, CA
July 2013 to October 2013

I worked as a QC / Packager, I would make sure that parts will meet with the customers specs and then I would package the parts per customer order make the label and I would deliver the parts to customer.

Warehouse Assistant

Konica Minolta-San Carlos, CA
October 2011 to June 2013

My responsibility as a warehouse worker is to pick all the materials on an order per customer's request and open any boxes before sending it to our tech department. I would also pull all finished orders at the end of the day making sure the truck is ready for delivery. When needed I would assist the driver on deliveries.

Ferreira Construction-Redwood City, CA
March 2008 to October 2011

Ramon Sanchez: 650-465-6959

Remodeling homes and assisting on demolition, framing, roofing, and tiling.

Purchasing Manger's Assistant

Solar City-Foster City, CA
October 2007 to March 2008

I would create all purchases orders for 11 warehouses throughout California. I would work with Engineers to order custom parts per their specs. Meanwhile processing custom orders for electricians and marketing for example; Hard hats, shirts, piping, solar panels, and any other supplies the company would require. and storing of products.
