Responsible and proficient in any task I take on or am assigned. Passionate and motivated, with a drive for excellence. 7 years in a manufacturing setting. Always looking for a better, faster way.

Skills

~Dexterous ~Production and Processing ~Detail Oriented ~Dependable ~Efficient
~Time Management ~Quality Inspection ~Troubleshooting ~Punctual ~Flexible

Packing

Target Distribution **Aug 2017-Nov 2018** Fridley, MN

Scanned barcodes to pull work orders for placement. Placed the product in the corresponding boxes to be shipped to Target stores. Verified placement if the quantity was incorrect. Organized placement of work orders on lines to ensure maximum output of product.

Quality Inspection

Donatelle Plastics **Aug 2010-Sep 2013** New Brighton, MN

Inspected incoming labels as well as inspected finished machined components per SOP. Trained New employees on SOP's. Used measuring devices such as digital calipers and rulers. Moved completed work orders through computers to shipping. Implemented new processes for better efficiency.

Medical Assembler 2

Boston Scientific **Aug 2008-Mar 2010** Maple Grove, MN

Team environment assembly line of raw material to finished cardiac catheters. Was responsible for final microscope inspection. As well as moving the work order to the next phase of production.

Assembler/Soldering

Caltronics **Feb 2008-April 2009** Stacy, MN

Surface mount soldering. Microscope soldering. Military production standards needed to be met before shipment. Encased circuit boards in epoxy for weather proofing and protective purposes. Tested components for quality of product. Understood and read blueprints to ensure correct placement of soldered components.

Education

High School Diploma Spring Lake Park **May 2007**
