Work Experience

Project Manager

CASTLEWOOD DOORS
May 2020 to August 2020

- Aided in the initial implementation phases of Innergy guiding key file structures, naming conventions, stages of approval and streamlining workflows to operate more cohesively.
- Led projects valued as high as sixty thousand dollars in revenue, building luxury door packages for general contractors and homeowners in the Denver area and nationwide, while managing scope, scheduling, project budgets, and customer facing communications.
- Reviewed in-house technical drawings to ensure accuracy of critical dimensions, materials and finish tags.

Collaborated with vendors and in-house engineering department to optimize design/materials of outsourced specialty parts.

- Worked directly with vendors to gather quotes for materials and specialty products for use in proposals/change orders.

Project Manager

HIGH COUNTRY MILLWORK
2015 to 2020

- Led programs valued as high as \$1 million in annual revenue, building retail spaces for Chanel, PGA Tour, Hive & Colony, and Healthy Spot, while managing scope, scheduling, project budgets, and customer facing communications.
- Reviewed in-house technical drawings to ensure accuracy of critical dimensions, finish schedules, and certify code compliance per architectural specifications.
- Provided accurate material take-offs and quotes for high-value materials and specialty products (metal, plastic, glass) for use in proposals.
- Requested and managed all supply chain purchase orders, working in collaboration with both local and national providers to ensure product quality standards.
- Served as primary liaison between engineering, sourcing, and production departments providing broad technical, material, and problem resolution support.
- Responsible for final quality sign-off on all manufactured and outsourced product, ensuring strict adherence to approved specifications, function, and finish quality.
- Managed logistics and delivery schedules while assisting field crews with both material and technical requests.

Web Sales Manager

AURARIA CAMPUS BOOKSTORE

2011 to 2014

- Managed a collaborative team to accomplish common goals relating to online purchases.
- Delivered customer service designed to create a positive experience, increasing loyalty and satisfaction.
