Work Experience

CNC Machine Operator

In-X Machining Inc. - Arvada, CO

April 2022 to Present

CNC Operator. Set up and operate lathes, 3 and 4 axis mills.

Haas vf2 and vf3 mills. Like previous employment, set-up, operate, adjust speeds and feeds in programs. Inspection of parts to blueprints using calipers, micrometers and various gauges available. Other duties include housekeeping, deburr parts and helping anyone who needs it.

CNC Operator

Epiroc Drilling Tools, Fort Loudon P.A - Fort Loudon, PA

October 2011 to Present

Set-up and operate lathes, 4 and 6 axis mills.

Most of my experience is on Fanuc controllers, some experience on Okuma. Set-up, operate, adjust speeds, feeds and programs as necessary. Inspection of parts to blueprints using caliper, micrometers, and various gauges. Other duties have included part's deburring, hammer bit assembly, peening and packing, or anything my supervisor asked.
