Work Experience

Trimmer

Solace Meds of Ft Collins - Fort Collins, CO

May 2017 to Present

Production dry trimmer of Med and Rec marijuana. General grow and warehouse cleanup.

Operations Coordinator

Clinical supplies management - Malvern, PA

August 2016 to March 2017

- Responsible for all phases of clinical trial order creation and shipping during a typical day. The environment was subject to rapid changes and was fast paced as well as highly detailed.
- Order Distribution and shipping from electronic requests by clients conducting clinical trials
- Trained in GMP, Primary and Secondary Packaging gowning and cleaning procedures as well as warehouse inventory control and receiving.
- Packaged clinical trial materials according to strict client specifications under a variety of conditions such as cold, controlled room temp and GPS tracking in real time.
- Communicating and coordinating with QC departments for critical shipments requiring oversight. Also communicated closely with Project Management to ensure client satisfaction and continued process improvement.
- Reported directly to Operations Supervisor to ensure zero incidents and maintain integrity of clinical trials as well as client and study confidentiality.
- Created waybills for shipping and container returns electronically via UPS World Ship and Fedex and ensure packages went onto trucks daily for next day delivery.
- Reduced Operations Group Incidents since hire date, which saved the company \$1,400 per hour to investigate per incident.

Production Worker

JOHNSON MATTHEY INC - Wayne, PA

December 2006 to June 2016

- Responsible for maintaining flow of substrates to production lines with forklift and line schedules
- Reported directly to Material Control supervisor
- Maintained high levels of health and safety awareness in a fast paced environment
- Daily inspection of forklifts and palletizing machinery as well as troubleshooting and basic maintenance
- Maintained and organized hazardous waste storage building as well as chemical racks for production batches

- Current work environment changes with the weather in a production environment. Very much used to working while hot and dry in summer or cold in winter
- Load and unload several full size tractor trailers and maintained an organized system of storage for upcoming and outgoing materials and product
- Maintaining 5S standards for cleanliness and order within work areas

Corrections Officer

Bucks County Dept of Corrections - Doylestown, PA
August 2005 to August 2006

- Responsibility for care, custody and control of inmate population in county jail.
- Maintained high levels of awareness and accountability in a high stress environment.
- Daily inspection of cells and day room area, regular inmate counts, observed inmates on various forms of watch and supervised work details.

Education

BUCKS COUNTY COMMUNITY COLLEGE
2005

HAMILTON HIGH SCHOOL NORTH
1992 to 1996

Associate in General

Correctional Basic Training Academy - Doylestown, PA

Skills

- Clean room, production, 2nd shift work (10+ years)

Certifications and Licenses

Driver's License
