PLUMBER FOREMAN 5/2016 - Present

Primary responsibility was to schedule and facilitate the installation of finish plumbing in new residential construction. Duties included but not limited to walking homes, working schedules with builder superintendents, scheduling workers, and supervision of the installation.

RSP, Inc
Las Vegas, NV 702-856-0800

PLUMBER FOREMAN 4/2015 – 10/2015

Primary responsibility was to schedule and facilitate the installation of finish plumbing in new residential construction. Duties included but not limited to walking homes, working schedules with builder superintendents, scheduling workers, and supervision of the installation.

Raptor Plumbing
Las Vegas, NV 702-257-7511

DRIVER/INSTALLER 1/2015 – 4/2015

My duties include delivering and installation of soap and towel dispensers throughout the Las Vegas business community.

Las Vegas Towel and Tissue
Las Vegas, NV 702-798-5262

PLUMBER/APPLIANCE INSTALLER 2/2008 – 10/2014

My duties include installation of Kitchen Appliances into new construction and rehabbed homes.

T&J Appliances
Las Vegas, NV 702-401-4090

Primary function is the preparation of pipe and installation of fire sprinklers in to both commercial and residential properties.

On Guard Fire Protection
Henderson, NV 702-966-8021

I performed various tasks related to construction and home rehab work.

Self Employed
Las Vegas, NV

My primary responsibility was to assist the field foreman in the installation of copper and black pipe in a boiler room for a commercial office building.

Sunrise Air Systems
Henderson, NV 702-568-5600

SUPERINTENDANT/CUSTOMER SERVICE 9/2003 – 8/2007

My duties include interpreting the blueprints and scheduling all subcontractor work, from underground M.P. & E to final turn key of the homes. This work included ordering of developer supplied materials, scheduling all inspections, and walking with the building inspector, generating reports and always within the budget and time constraints imposed by management. When all construction was completed DCH offered me a job doing customer service. I helped for 6 months and have the customer service caught up. Since they were not doing new construction, there is no more work for me here.

Desert Cove Homes
Henderson, NV
702-837-1227

I assisted the superintendent with scheduling all subcontractor work and completing the back end of the construction on condominiums located on the strip.

AmLand Development, Inc.
Las Vegas, NV 89103 702-889-0053

PLUMBER

1994 – 2003

Interstate Plumbing Las Vegas, NV
Classic Plumbing Las Vegas, NV
Progressive Plumbing Henderson, NV
Lakewood Plumbing N. Las Vegas, NV
E&E Fire Protection Las Vegas, NV

Experience Highlights:

My plumbing experience consists of installation of all finish plumbing to include, but not limited to tankless water heaters, sink toilets, R/O systems, soft water loops, natural gas pipe threading and installation throughout newly constructed single family homes and semi-custom homes. I have also managed several employees in installing finish plumbing. As a foreman I have managed schedules, time cards, and budgets.

I completed 24 semi-custom homes ranging in price from \$850,000 to \$1,200,000.00 with sq footages from 3,000 to 5,000. I also approved monthly subcontractor payments. I was also responsible for all aspects of quality control.

Handled all aspects of customer service including meeting with customers, and either scheduling with our subcontractors to do the work or do it myself. I also completed all reporting and tracking of all customer service work.

Before my plumbing experience, I worked as a deliver driver for a vending company in Las Vegas. Also installed appliances and fireplaces and installed fire sprinklers for a project in Mesquite, NV. I also worked as a food prep at Big Dogs Bar and Grill.

During and after leaving High School, I handled all aspects of warehousing including but not limited to inventory, picking, packing, and shipping orders, loading and unloading trucks, and use of forklift and pallet jacks to move product throughout.

Tool Experience:

Jack hammers, Hammer Drill, Hole Hog, Sawzall, Skill Saw, Cordless Drills, Soldier, Pipe Threader Machine and Manual, Palm Sanders, Grinder, Bob Cat, Forklift, Levels, Scissors, Tin Snips, Chisels, Files, Etc.

Education:

G.E.D Dixie State College – St George, UT
OSHA 10 Certified

Interests:

Playing guitar, camping, fishing, I like to spend time outdoors with my wife and kids.
