Experience

Material handler · Boulder scientific company

March 2025 – Present · 1 yr 2 mo

Mead, CO

I stage hazardous and non hazardous materials for production, receipt batch records, and prep cylinders. The main goal of the job is to keep production flowing as smooth as possible by grabbing their material. As well as moving the solvent tankers around with the yard truck.

Maintenance · Love's Travel Stops & Country Stores

May 2023 – Present · 3 yr

Berthoud, CO

I worked here for just about a year and half, they pretty much had me any where they need whether it's the cashier or cleaning showers or doing actual maintenance things.

Customer Service · Kohl's

October 2022 – July 2023 · 9 mo

Longmont, CO

helped customers with returns and checkouts, any questions they had, also did on the floor work keeping the floor clean. While I was there it was pretty common for me to close the customer service registers at close as well

Busser · Perkins Restaurants & Bakery

August 2022 – October 2022 · 2 mo

Longmont, CO

I bussed tables.
