

Patient: **John Veytia**  
Date of Birth: **8/7/1997**  
Date of Visit: **11/7/2018**

To Whom It May Concern:

It is my medical opinion that John Veytia should remain out of work until FEVER FREE FOR 24 HOURS WITHOUT USING FEVER REDUDING MEDICATONS. PATIENT IS CONTAGIOUS WHILE FEBRILE. .

If you have any questions, please contact us at (866)-389-2727.

Sincerely,

A handwritten signature in black ink, appearing to read "Joyce McIntosh", with a stylized flourish at the end.
