## Objective

- Trying to become an Assistant Engine Boss in the wildland world and looking to make my background a little bit stronger. I think Assistant Engine Boss with Grand Lake Fire Protection District be a great fit for me. I bring some experience and strong work ethic and positive attitude and I'm willing to learn new things that makes my job background stronger as well as some dispatching experience and emergency background .

## Education

- HIGH SCHOOL DIPLOMA FROM WHEAT RIDGE HIGH SCHOOL. MAY 21, 2015
- WARREN TECH TRADE SCHOOL LAKE WOOD HIGH SCHOOL

## Skills & Abilities

### MANAGEMENT

Can multitask and work with a group of co-workers also have a fast and strong work ethic and strong with the fire departments around the metro area

### COMMUNICATION

- I have a strong and drive to have a strong sense of communication.

### LEADERSHIP

- I'm a leader by choose and not a follower. I choose to lead because we are all working towards the same clear goals and with me lacking experience in as an Assistant Engine Boss, I bring a lot of motivation for myself and my crew. I also bring visual and physical motivation.

## Experience
