Profile

I am a resourceful and proactive individual in the field of plumbing and heating installations, diagnosing and solving plumbing problems in domestic plumbing. I have good experience of interacting with client's face-to-face and always conduct myself professionally.

I am able to work alone and as well as part of a team, manage my time in accordance to the allocated workload. I am able to communicate effectively with colleagues and customers alike. I am very thoughtful and productive when it comes to solving clients plumbing problems and installations. I use the best method to ensure a first class service from myself.
